

TWO PAYMENT OPTIONS:

Annual: Calvary Preschool offers a 10% discount for those who pay for the entire school year at once. If you choose this option, your tuition payment must be received by August 1. If we have not received your annual payment by the date stated, your 10% annual discount will be forfeited, and you will be required to pay the full tuition amount.

Installments: Nine equal installments are due on the first of every month. If payment is not received by the first of each month, a \$25.00 late fee will be incurred every month thereafter until payment has been received. Installments are the same each month, regardless of holidays, inclement weather, or absences. If you choose the nine-equal installment payment option, keep in mind that Calvary Preschool is not a month-to-month program. Your monthly installments are paying down our annual tuition rate.
